for the Cosmetic-Product

Aloe Vera Handcreme Muster Nr. 2411108

Dermatological test on humans in 2011

The dermatological test performed by us
on your product under the control of dermatological specialists was passed
for this product with the rating of

“very good”.

This product did not lead to toxic- irritative intolerance reactions in patch
testing carried out in accordance with international guidelines. The
preparation can therefore be declared as dermatologically tested.
